INNOVATIVE SCHOOL

3rd June, 2026

“Back to School with Smiles!”

The first day of the new academic year began with a warm welcome for students after summer vacation. Teachers created a joyful environment with welcome takeaways and guided students on classroom rules, hygiene, discipline, and cleanliness. Learners were encouraged to share their vacation experiences and participate in collaborative activities, setting a positive start to the year.

***Welcome back,
let's clap and play,
We are happy at
school today!***

***Come to school,
don't be late,
Learning here is
really great!***

*Welcome back
to school, let's
learn and play,
New dreams,
new hopes, let's
shine every day!*

“Back to school with smiles and dreams!”

*Hello friends, hello school,
Learning here is fun and cool!*

*Books and
friends,
laughter too,
A happy
school year
starts for you!*

**"A Joyful
Beginning!"**

*Books in hand,
ambitions high,
We are ready to touch
the sky!*
