

VIHAA
INNOVATIVE SCHOOL

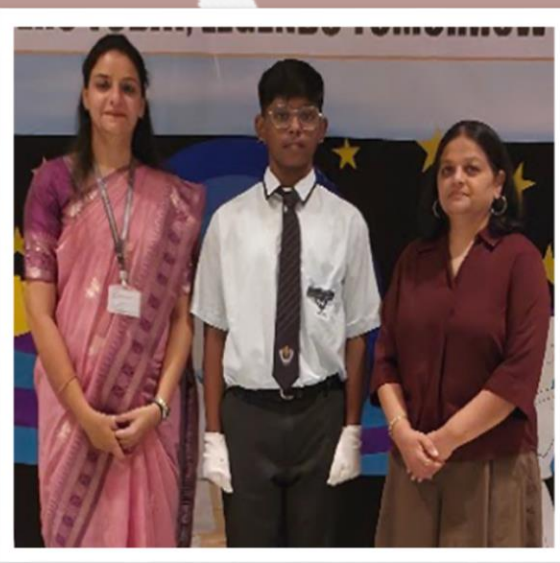

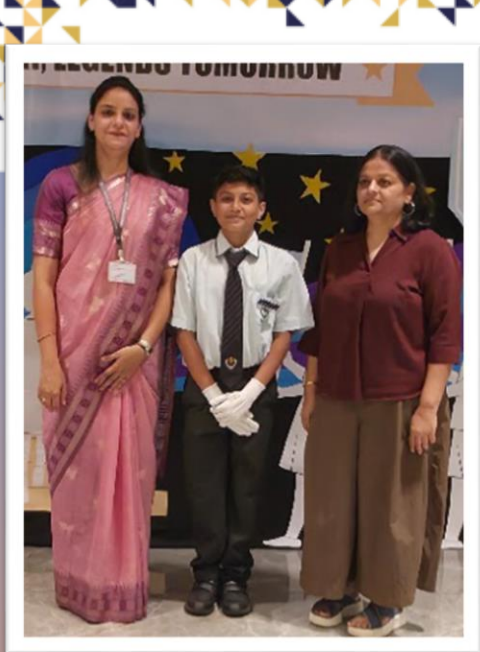

29th July, 2026

"Leading with Pride, Serving with Purpose"

Our young leaders proudly took the oath of responsibility and service. With great enthusiasm and confidence, the newly elected Student Council members received their badges and sashes, promising to lead with honesty, discipline, and dedication. The ceremony inspired every student to embrace leadership, teamwork, and accountability, fostering a spirit of excellence and commitment towards making the school a better place for all.

Pledged to uphold the values of the school, promising to lead with honesty, respect, and compassion.

"The journey begins with a promise to lead by example."

United by purpose and driven by responsibility, the Student Council stands ready to lead with confidence, integrity, and service. Together, they represent the spirit of leadership that inspires the entire school community.
