

"Every great story starts with a name."

संज्ञा की रोचक दुनिया -
An Engaging Journey into
the World of Nouns

Grade 8 students enthusiastically participated in "संज्ञा की रोचक दुनिया", a **fun** and interactive grammar activity. Through games and **creative** tasks, they learned about nouns while developing language skills, **teamwork**, and a **love for learning**.

Names
around us,
Learning
all around!

“**Nouns**
give names, and
names give meaning.”

Grammar
that **connects**,
Learning that
stays!

Expressing

What we learned?

- ✓ Identified nouns in our surroundings
- ✓ Used nouns in creative ways
- ✓ Worked together and shared ideas
- ✓ Learned with joy and confidence!

Takeaway

Grammar is not just
about rules—
it's about understanding,
connecting and
communicating!

> Nouns give names. Names give meaning. Meaning builds **understanding!** <

Learning

Teamwork

Creative

Focused

The activity helped learners identify and use nouns from their everyday surroundings, improving their language skills while encouraging creativity and teamwork. Their enthusiastic participation made the classroom an engaging learning space.

The session showed that grammar can be both **meaningful and enjoyable.**
