

“Every **continent** tells a story,
and every **ocean** connects the world.”

Grade 5 students enthusiastically created 2D and 3D models of the continents and oceans, making **geography** both fun and interactive. The activity enhanced their understanding of the Earth's features while encouraging **creativity**, **teamwork**, and hands-on learning. It helped learners explore the world with curiosity and confidence.

“ Exploring the world
through creativity and curiosity. ”

“ Exploring the world
through creativity and curiosity. ”

“The world is a book and those who do not **travel** read only **one page**.”

Grade 5 learners enthusiastically created 2D and 3D models of the continents and oceans. This engaging activity enhanced their understanding of Earth's features while encouraging **creativity**, **teamwork**, and hands-on learning. It helped them explore the world with **curiosity** and confidence.
