## “Quit India Movement: The Call for Freedom”

**Grade 2 learners presented an inspiring skit on the Quit India Movement, highlighting the courage, unity, and patriotism of our freedom fighters. Their lively performance beautifully conveyed the message that freedom is precious and even young hearts can inspire love and respect for India.**

Brave hearts stood for  
freedom bright,  
They filled our land with  
hope and light.  
With courage, unity, and  
pride,  
They kept our nation's  
dream alive.
