

"A Tapestry of India's Rich Heritage"

We celebrated the 80th Independence Day of India with great enthusiasm and patriotic spirit. The learners participated wholeheartedly in a colourful and memorable celebration filled with dance, speeches, songs, and character parade. The programme showcased the rich cultural diversity of our country. Learners dressed beautifully in traditional attire representing different states of India, adding colour and charm to the celebration. Their performances reflected the unity, diversity, and cultural heritage of our nation.

“One nation,
countless
cultures, one
beautiful spirit
of unity.”

“A celebration
where every
colour, song,
and step echoed
the spirit of
India.”

The celebration was a wonderful reminder that India's strength lies in its unity in diversity. It was a proud and memorable day.
