“Little Learners, National Treasures!”

Today, our little learners embarked on a vibrant journey to explore the pride of our nation! Through hands-on crafts, colourful art project, our students learned all about our national symbols—from the majestic tiger and graceful peacock to the national flower and flag.

**“Colours of Pride:
Learning Our
National Symbols”**

Painting, crafting, and creating, the children not only discovered the meaning behind each symbol but also took their very first steps in understanding love, respect, and pride for their country.
