One Frame, A Thousand Stories

Say Cheese! 📷 ✨

Today, we're celebrating World Photography Day through the eyes of our little ones! From bright smiles to big discoveries, every picture tells a story of wonder, play, and growth. Capturing these tiny moments that become our favourite memories!"

"Little Smiles, Big Picture! 🌈 📷

Happy World Photography Day! Our classrooms are filled with endless laughter, learning, and little milestones worth freezing in time. Here's a peek at the happy moments that make our days so special!"
